2023 SMGA Member- Member Tournament - June 13-14, 2023
Tournament Handicaps

Handicaps are nine hole handicaps for Seminole / Choctaw

Basis for Tournament Handicap Calculation

The IHSMGA uses the USGA Rules of Handicapping (RoH) to govern handicap calculations. RoH Rule 6.1b provides the formula for a 9-hole Course Handicap:

$$\text{Course Handicap} = (\text{Handicap Index} / 2) \times (9\text{-hole Slope Rating} / 113) + (9\text{-hole Course Rating} - 9\text{-hole par})$$

Note: The calculated Course Handicap is rounded to the nearest whole number only after the Playing Handicap calculation.

RoH Rule 6.2a provides the formula for a Playing Handicap:

$$\text{Playing Handicap} = \text{Course Handicap} \times \text{handicap allowance}$$

The calculated Playing Handicap is rounded to the nearest whole number, with .5 rounded upwards.

The IHSMGA utilizes 100% Handicap Allowance for this tournament.

The IHSMGA uses the official course and slope ratings information as rated by the GSGA. The current ratings are:

Seminole

Tee: Gold	Holes: 9	Slope: 124	Rating: 34.9	Par: 36
Tee: Silver	Holes: 9	Slope: 119	Rating: 33	Par: 36

Choctaw

Tee: Gold	Holes: 9	Slope: 124	Rating: 34.9	Par: 36
Tee: Silver	Holes: 9	Slope: 117	Rating: 33.5	Par: 36

Flight order is by combined course handicaps.

(Silver) Denotes player using silver tees.
